ABOUT

About Love Your Nuts

Love Your Nuts (LYN) is a non-profit testicular cancer awareness campaign based in South Africa. LYN was founded by Torsten Koehler after he was diagnosed with testicular cancer in 1995. He has helped many men by educating them about testicular cancer and has saved many lives through his work.

Below are some links to websites with more information about cancer and testicular cancer:

About Nano Blast

Nano Blast was created in a game jam hosted by LYN. We were instructed to create a fun, educational game to raise awareness about cancer that can be marketed at young teens as well as adults.
